# Interlink

*A Dress Pant/Suit Manufacturer*

# Dear Reader,

## Greetings from Interlink Group!

Interlink, formerly known as J-B Garments, is a family owned business that was first established in 1985, specialized in assembling high quality clothing. Initially the business focused in manufacturing men and ladies' shirts, with the agenda of meeting customer demands and guaranteeing most noteworthy quality. Following its immense achievement in the principal venture, it expanded into new organizations that now creates world-class garments such as, suits and formal trousers.

The company comprises of 3 factories situated in the industrial zone outside Dhaka, within close reach to the airplane terminal and available roads that leads to the port city of Bangladesh. The company makes and delivers clothing for men and ladies for different organizations, based throughout the world. It specializes in assembling high quality garments such as formal trousers and suits. With a combined manufacturing plant space of 160,000 sq/ft, it holds the capacity to deliver 40,000 pcs blazers and 1,30000 pcs pants a month. The manufacturing process is carried out under strict supervision of highly talented specialists in each phase of assembly in order to guarantee high quality and expand customer loyalty.

Interlink's core value is having great relationship with its clients and maintaining quality in the working environment. The organization plans to convey quality items in short time to the quick changing retail industry. With the experience of producing for world renowned brands like POLO, MOSS BROS, SAMUEL WINDSOR and more, the organization has demonstrated its ability to produce garments for brands that offer high value products.

# MESSAGE FROM THE MANAGING DIRECTOR

I would like to take this opportunity to thank our valued customers, whose continued support and confidence in our products inspires us to extend the best of services. We are focused on further improving our operating performance in key areas.

A combination of product quality, service provided by the team and skilled management enables us to create a good experience here at Interlink.

**INTEZAR AHMED**

# MESSAGE FROM THE DIRECTOR

We are determined and committed to take on an increasingly active role in the garments industry of our country, through understanding the customer's expectations, zero tolerance in quality and an ongoing innovation. We are one of the first to manufacture high quality blazer in Bangladesh.

The Company embarked upon the idea of coming up with new products and push for value added products in order to increase the market reach, credibility and improve top & bottom line of the business.

## **BROOK TRAVERNER**

Brook Taverner has been honing its reputation for craftsmanship for more than 100 years and the menswear is renowned for its quality and timeless appeal.

Each season, a subtle and elegant take on key fashion themes is offered bringing the menswear and look bang up to date.

The Brook Taverner story started in 1912 with Frank Brook and Walter Taverner on a boat to Calcutta. Their first business venture was selling buttons to tailors, but soon linings and then cloth were added to the range. It was cloth which propelled the business forward, and despite tricky times in between the two wars, one of the largest stock supported fabric ranges in the UK was built up concentrating entirely on the menswear.
